Age Magnificently

Lifespark and Norbella Rogers Senior Living Mission

Our mission is to spark lives by empowering people to age magnificently with our whole-person approach. We put everything we have — our people, passion, and purpose — into our approach and actively promote happiness, health, vitality, and independence, allowing residents in our communities to live their best life possible — what we like to call a sparked life. As a Lifespark community, Norbella Rogers embraces this mission and sparks lives every day.

An Ideal Location for Relaxing, Discovering, and Being Inspired

Located at the gateway between the Twin Cities metro area and Greater Minnesota, Rogers offers the perfect blend of wide-open spaces and vibrant local attractions. Our location, plus our extensive and exceptional services offer convenience, peace of mind, and more time to do what you love.

Programs and Services That Ignite Your Passion

We believe a holistic view is the key to empowering you to live life on your terms. That's why all our Lifespark premium services embody our whole-person approach. And why every Lifespark community features our Lifespark services:

- Skilled Home Health Services** — For coordinated support and guidance that adjust to fit your needs and wants. Your individualized home health plan may include:
- Skilled nursing and home health aide
 - Physical, occupational, and speech therapy
 - Social services
- Lifespark GO!** — For confidential transportation to where you desire to go. Lifespark GO! offers a driving and escorting service to activities including medical appointments, religious services, grocery shopping, sporting events, theater, family get-togethers, and more. Combine multiple stops in one trip.
- Lifespark COMPLETE™ in Senior Living** — Lifespark's whole-person model brings you a full spectrum of senior health services in a more coordinated, convenient experience for ongoing health

- at home. You get in-home medical experts who understand the unique needs of older adults and take the time to build a more complete picture of you – and what's important to you.
- Urgent Response Services** — A part of Lifespark COMPLETE, these services give you the option to get urgent care without leaving your living room. As part of the team, these specially trained responders know you when it matters most.
- Lifespark Hospice** — To bring you and your family comfort and support physically, emotionally, and spiritually. Our hospice team works with all involved to develop a plan designed around your unique needs and preferences.
- Community Home Care** — In-home private-pay services help fill short and longer term needs with caregiving and RN Case Management backed by a 100% Satisfaction Guarantee.
